Alma Mater

THE GREEN AND WHITE

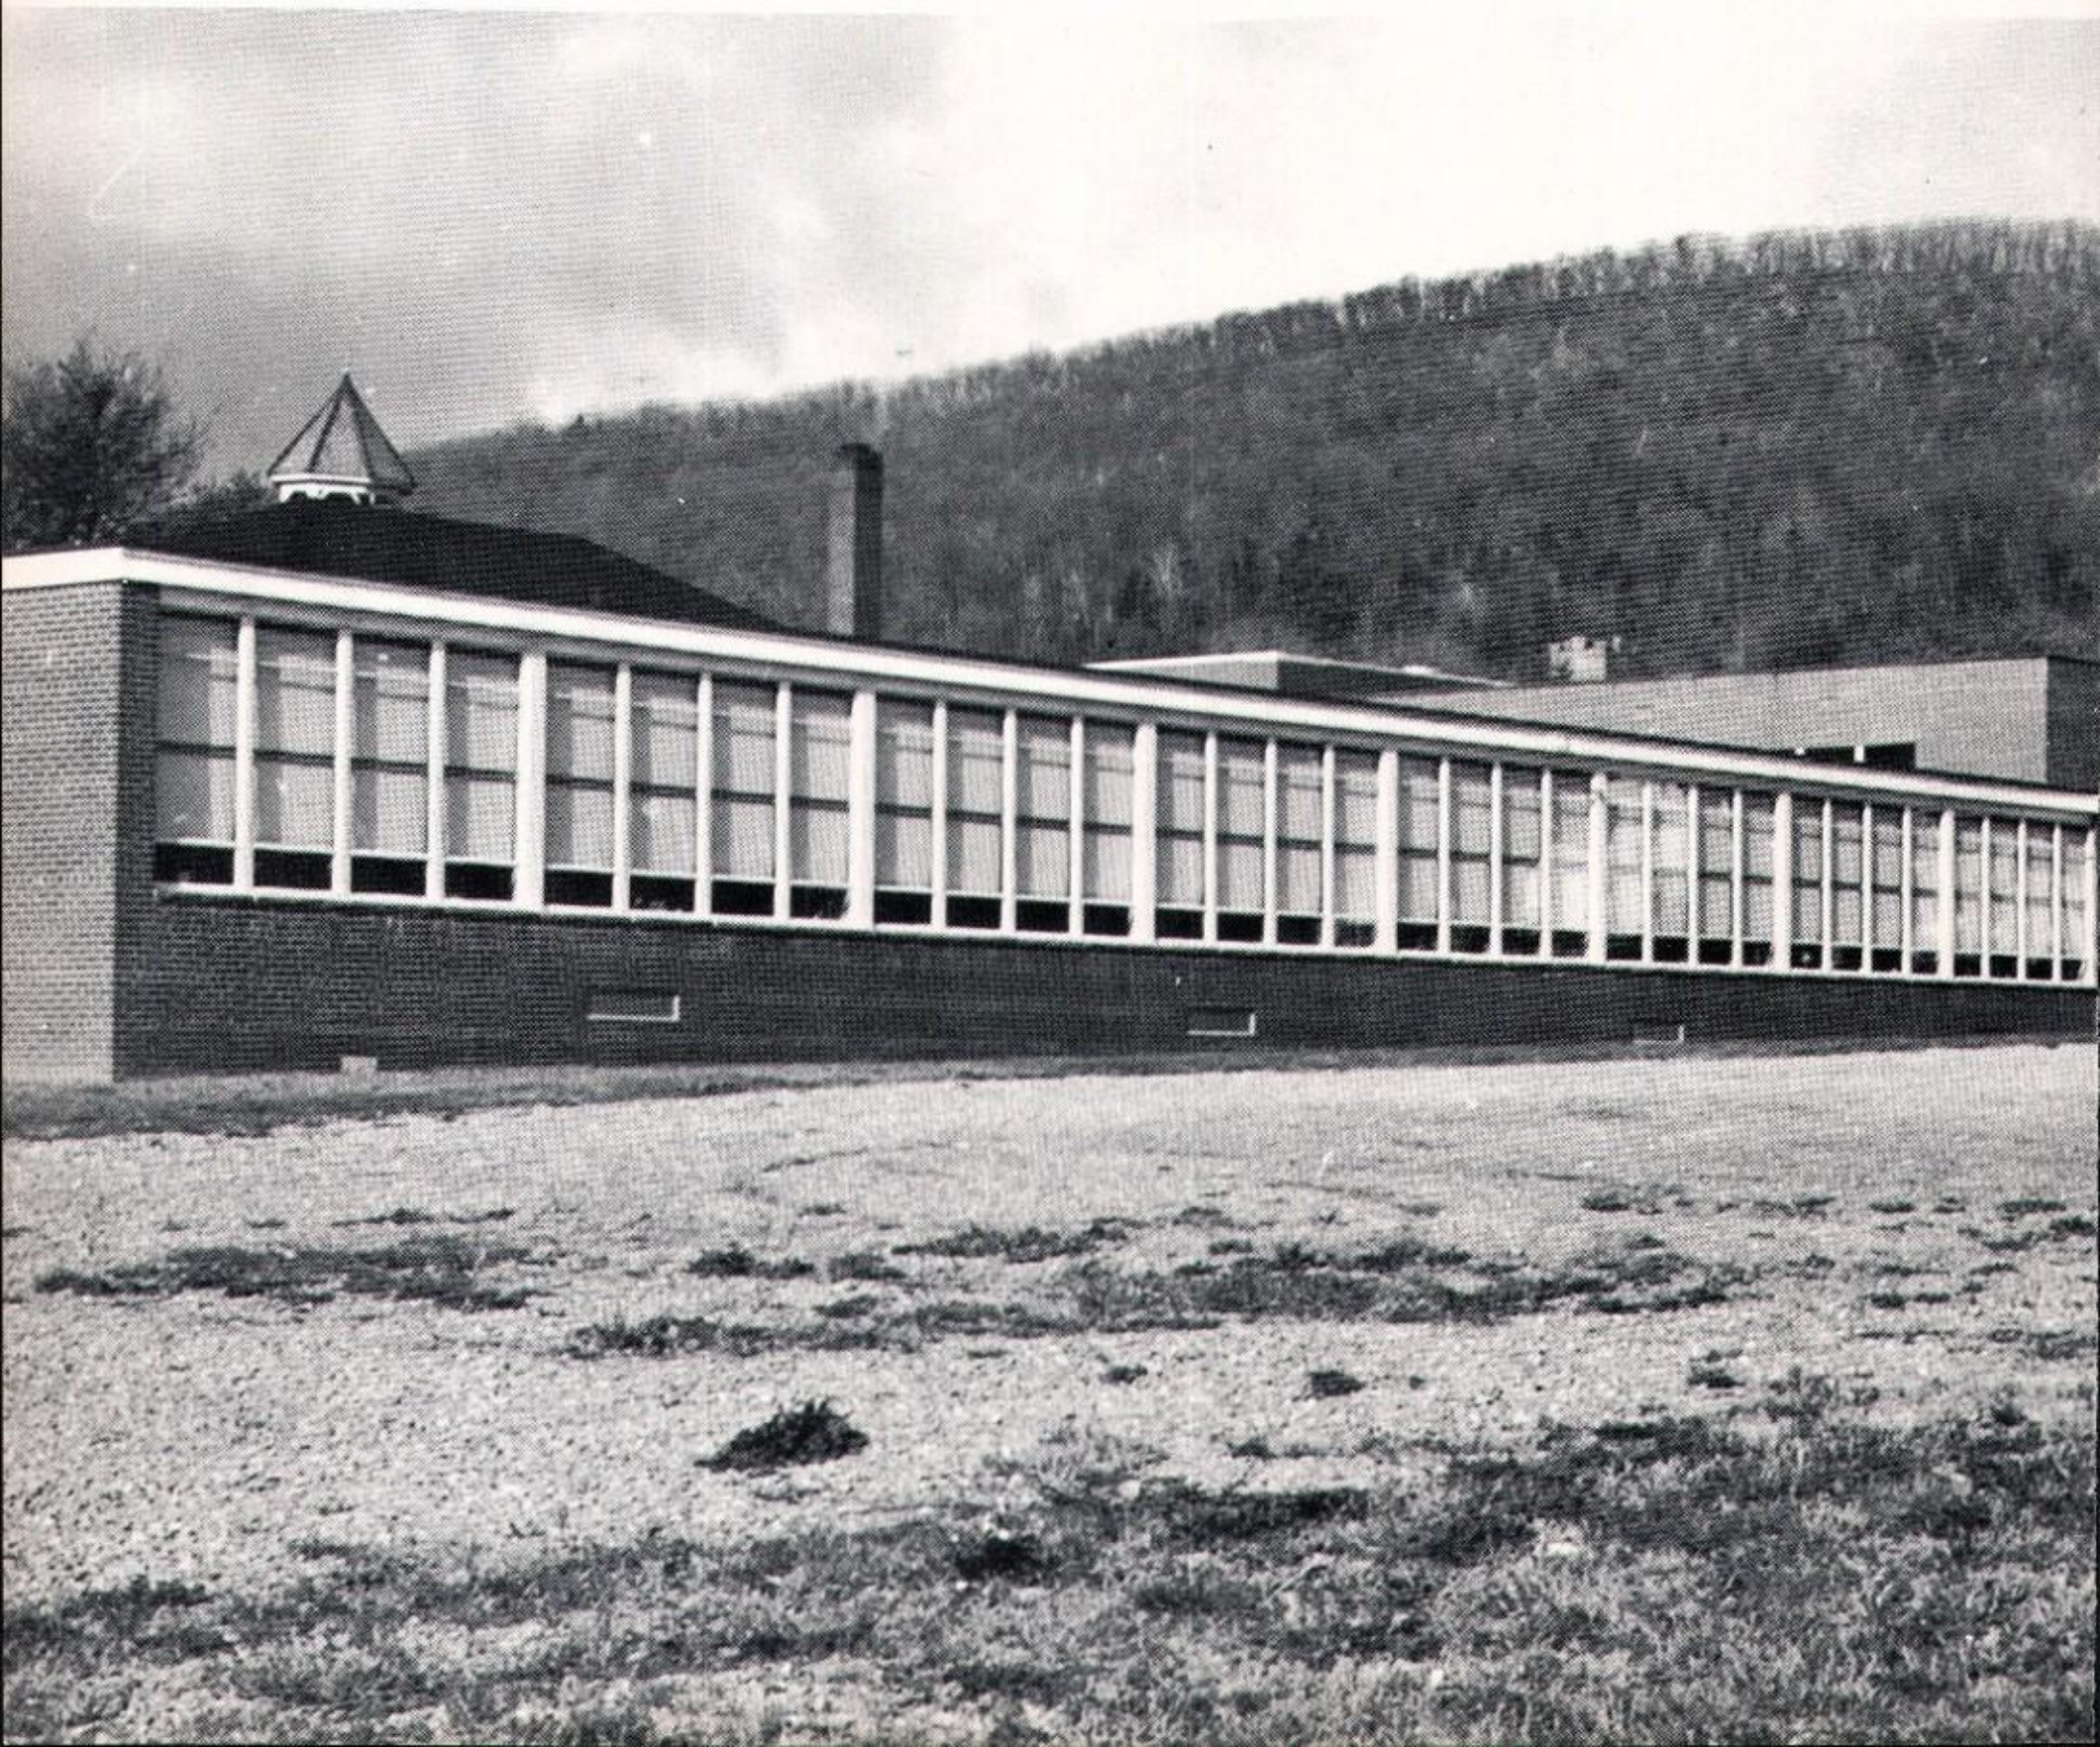

Close beside the mountain
In the morning light
Loveliest of banners floats
The green and the white

Students voices raised in song
Echo through the days,
Sounding forth for Valley High
Alma Mater Praise

As the evening sun goes down
And the night draws near,
Then we hear in memory
The song we love so dear.

REFRAIN:

Green and White, Green and White,
Symbol of our School;
We will always honor thee,
To thee we'll e'er be true.

Foreword

The graduating class of 1965 wish to express their appreciation to the administration for the helpful instruction they have provided during the past year.

We feel that our education will help us to be better citizens. Our aim is to put our education to use in the various fields of life.

We hope our yearbook will help us to remember our experiences in school and may the Lord guide us throughout our lives in following the basic principles we have obtained from our parents and teachers.

Dedication

Gerald F. Kunkle

We, the class of 1965, are happy to dedicate our yearbook to Mr. Gerald F. Kunkle. His sincere dedication to his profession is one of admiration. He is always ready and willing to give advice to anyone. For this we are very appreciative and wish to thank him sincerely.

Administration

LEWIS A. MCGILL

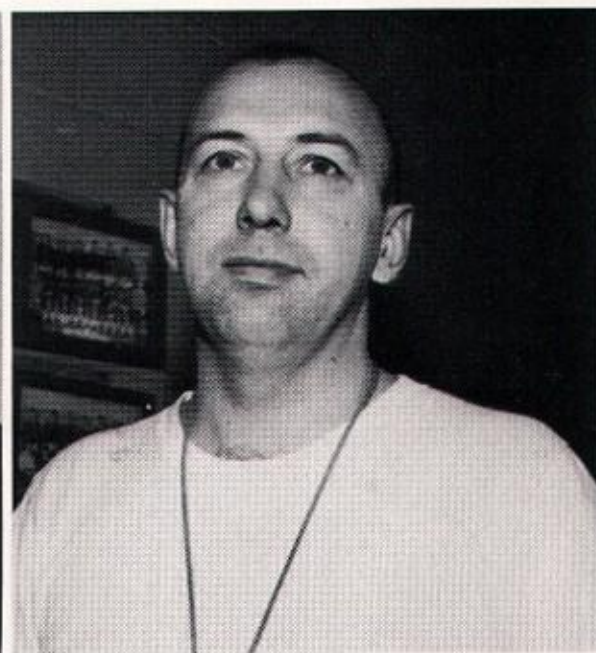

After teaching at the Bald Eagle Nittany School, Lewis McGill has served as our supervising principal since 1959. He enrolled in Lock Haven State College, majoring in mathematics, after his discharge from the Marines. Upon his graduation in 1950, he enrolled in the Graduate School at Pennsylvania State University and was granted a Master's Degree in Administration in 1951. As our principal, he has dedicated his efforts to the belief that a school exists for the students, and that the school's sole function must be that of molding tomorrow's good citizens. We commend Mr. McGill for his belief and we thank him for all the help he has given us.
